FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. The services in dispute were reduced/denied by the respondent with the following reason codes:
 - W1 – Workers Compensation State Fee Schedule Adjustment
 - ZE – Your billing has been paid in accordance with the Inpatient Hospital Fee Schedule

Issue

1. Did the requestor waive the right to medical fee dispute resolution?

Findings

1. 28 Texas Administrative Code §133.307(c)(1) states: "Timeliness. A requestor shall timely file the request with the division's MFDR Section or waive the right to MFDR. The division shall deem a request to be filed on the date the MFDR Section receives the request. A decision by the MFDR Section that a request was not timely filed is not a dismissal and may be appealed pursuant to subsection (g) of this section. (A) A request for MFDR that does not involve issues identified in subparagraph (B) of this paragraph shall be filed no later than one year after the date(s) of service in dispute." The date of the services in dispute is February 01, 2012 to February 06, 2012. The request for medical dispute resolution was received in the Medical Fee Dispute Resolution (MFDR) section on December 22, 2014. This date is later than one year after the date(s) of service in dispute. Review of the submitted documentation finds that the disputed services do not involve issues identified in §133.307(c)(1)(B). The Division concludes that the requestor has failed to timely file this dispute with the Division's MFDR Section; consequently, the requestor has waived the right to medical fee dispute resolution.

Conclusion

The Division finds that the requestor has waived the right to medical fee dispute resolution for the services in dispute, as addressed in 28 Texas Administrative Code §133.307(c)(1) and (c)(1)(A). For that reason, the merits of the issues raised by the parties to this dispute have not been addressed.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to \$0.00 reimbursement for the services in dispute.
